Patient Safety and Quality Improvement Journal (PSQI) Authorship Responsibility form

By completing and signing this form, authors acknowledge and accept full responsibility regarding the statements on authorship responsibility.

Authorship Responsibility

The undersigned author(s) hereby affirm that the manuscript entitled ................................................................. under the reference number ........... is original and that all the statements asserted as facts are based on the author(s) investigation and research. The manuscript has not been published in any form and is not being submitted for consideration or publication elsewhere, in total or in part, except as an abstract of less than 400 words in the form of scientific presentation. The author(s) are also requested not to submit the present manuscript elsewhere for a period of three months from the data of submission to Patient Safety and Quality Improvement Journal.

A.   □ Author(s) certifies that:
    • The manuscript represents original and valid work and that neither this manuscript nor one with substantially similar content under my/our authorship has been published or is being considered for publication elsewhere, except as described in an attachment.
    • If requested, the corresponding author will provide the data or will cooperate fully in obtaining and providing the data on which the manuscript is based for examination by the editors or their assignees; and
    • Every author has agreed to allow the corresponding author to serve as the primary correspondent with the editorial office, to review the edited typescript and proof.

B.   □ Each author has given final approval of the submitted manuscript.
C.   □ Each author has participated sufficiently in the work to take public responsibility for all of the content.
D.   □ Each author qualifies for authorship by listing his or her name on the appropriate line of the categories of contributions listed below.

I give consent for publication in the RCM in any media (print, electronic or any other) and transfer copyright to the RCM in the event of its publication in the RCM. And I certify that all conflicts of interest, including specific financial interests and relationships and affiliation relevant to the subject matter or materials discussed in the manuscript (eg, employment/affiliation, grant or funding, consultancies, honoraria, stock ownership or options, expert testimony, royalties, or patents filed, received, or pending), are the following:

( Please list all conflict of interest with the relevant author’s name):
